## Board of Directors

23 year working experience in marketing & business, motivational speaker and provide employment to many people. Board of directors are dynamic with strong potential, enthusiastic and accommodating personality with high level of dedication, strongly committed and engrossed to achieve the long term vision & goal. They have ability to lead and influence other to pursue the goals of the business. They are always supportive to their staff members, sub-ordinate, co-worker, executive and leaders of the business.

**Director**

**Pawan Wasudeorao Sadamwar**

Civil Engineer

A person who believes in working together, a humble and down to earth personality. He believes one should always play a multiple role whether its business or personal life. He firmly believes that a person's attitude and mind set can make or break a business. He believes in that one success does not make a person invincible and that one failure does not mean that there is no hope anymore. He believes that one should not hesitate to take risk or do something out of their comfort zone it may restrict you from exploring your own abilities. He believes in commitment and fulfilling it.

**Director**

**Suraj Wasudeorao Sadamwar**

BE, MBA

A personality who believes in perfection. A personality with the quality of leadership which makes him translate his vision into reality. He is always agitated with his actions which inspire others to dream more, learn more, do more and become more. He believes in innovation that proven to be a key ingredient for success. He believes that one should strive to do their best rather than copying others. He believes that perfection is attained by slow degrees, it requires the hand of time. He believes that success is the result of hard work, learning from failure, loyalty, and persistence.
